We invite you to become a member of The Aero Club of Northern California. Throughout the history of flight, the people and organizations of California have played key roles in advancing aviation and space exploration. An Aero Club membership gives you a connection with others in the aviation and aerospace community here and around the world, at awards programs, luncheons and special events, including:

- Aero Club emailed newsletter
- Aero Club members only tours, luncheons and special events
- Invitation to the Aero Club annual Crystal Eagle Awards Dinner

The Aero Club of Northern California is a chapter of the NAA, which is America's oldest independent non-profit aviation organization. It was established in 1905 as the Aero Club of America. The NAA is the official record-keeper for United States aviation, and also functions as the U.S. representative to the Federation Aeronautique Internationale (FAI), the agency that certifies all aviation world records. As an Aero Club member, you will also receive NAA benefits including:

- The NAA Record electronic newsletter, event invitations, etc.
- Full interactive access to NAA's World and United States aviation and space records database

The Aero Club Crystal Eagle is awarded annually and has been presented previously to General James "Jimmy" Doolittle, General Charles E. "Chuck" Yeager, Stanley Hiller Jr., William "Bill" Lear, James M. "Jim" Nissen, Anthony W. "Tony" LeVier, Elbert I. "Burt" Rutan, George E. Cooper, Allen E. Paulson, Jeana Yeager, Robert T.
