

MONTE MILLER

Currently working as an independent CFI, teaching at the Flying Twenty and Squadron Two

Since the ACNC scholarship Monte Miller has:

Pumped gas at RHV for San Jose Fuel (2006-2009)

Part Time Lecturer at SJSU (2009 and 2012)

National Weather Service Certified Weather Observer at SJC (2009-2014)

Fleet Manager/Flight Coordinator at Aperture Aviation (2011)

National WX Service Certified Weather Observer Byrd Camp, Antarctica (2011-2012)

Commercial Single Engine Seaplane rating in 2014

ACNC Scholarship helped me get my instrument rating while working for minimum wage in college.
